PUT ETHICS FIRST

FI Club

FINANCE &
INVESTMENT
CLUB

OVERVIEW

The CGIA FI Club is a student-focused association that seeks to bridge the gap between academia & the finance industry by promoting financial literacy among tertiary students and creating an experience-based learning environment for its members.

The underlying purpose of the club is to create a platform that will help students carve a clear career path in an increasingly complex world and develop future prospects for the finance & investment industry.

WHY JOIN CGIA FI CLUB?

Knowledge:

To gain a comprehensive understanding of the Finance and Investment industry in a student-friendly manner.

Career Opportunities:

Club members are provided with timely and adequate information on career opportunities in the F&I Industry.

Networking Opportunities:

CGIA FI Club offers remarkable networking opportunities for students to engage with firms and build relationships with individuals established in the finance field.

Internship & Mentorship:

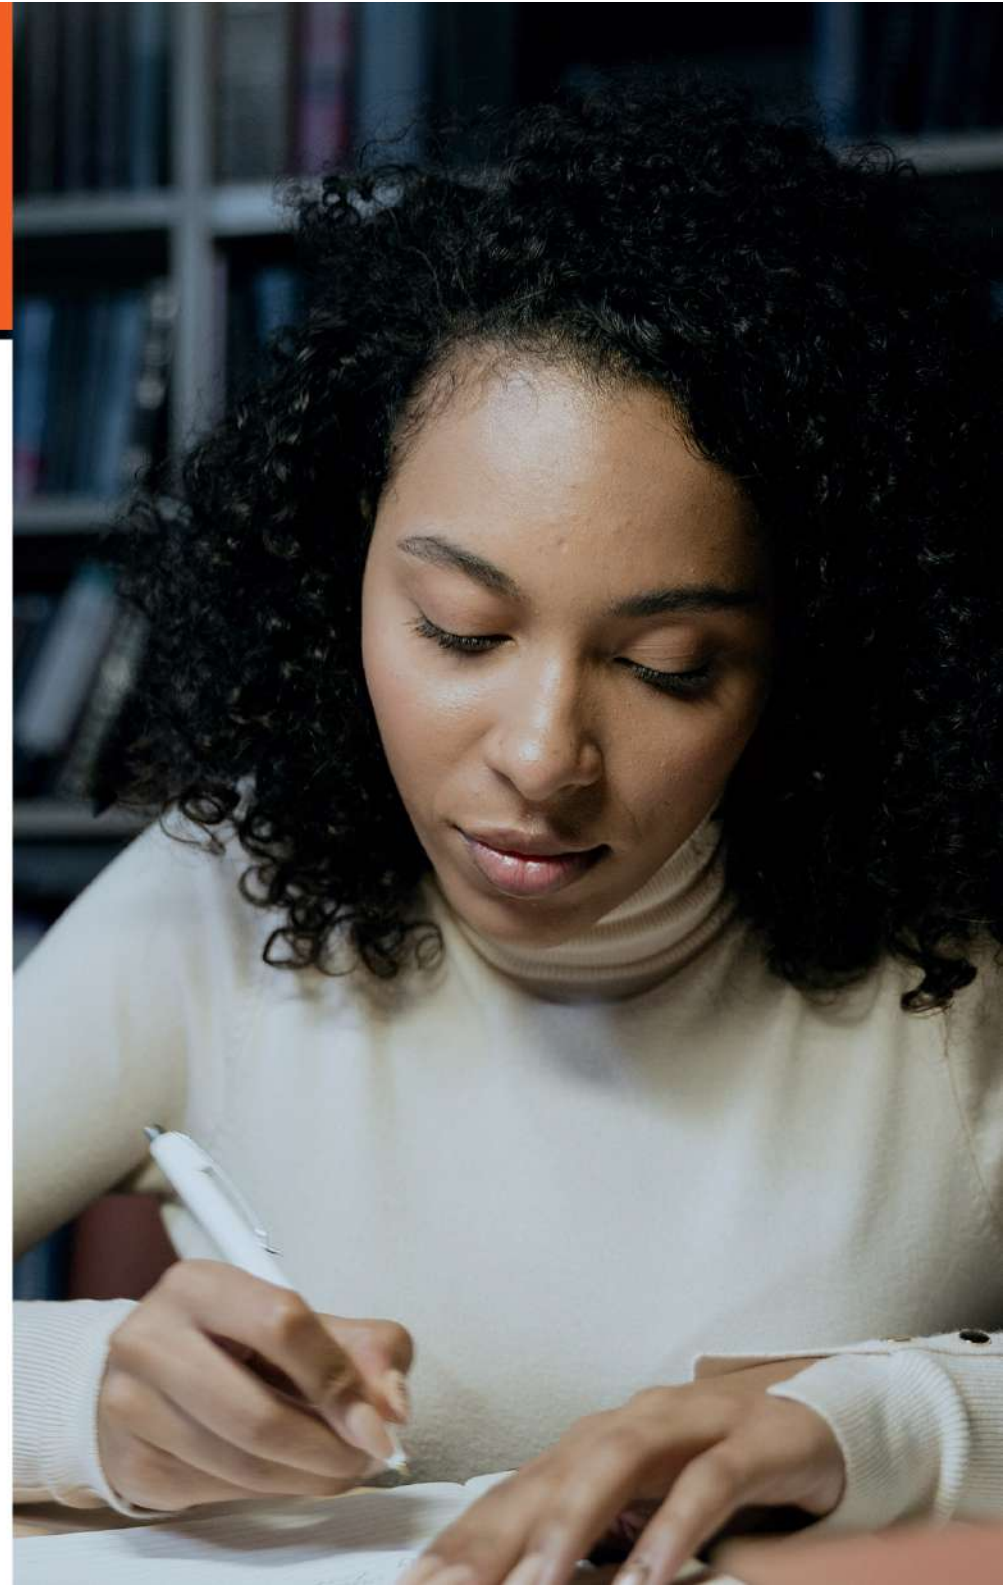

Club members have access to internship opportunities and mentoring by industry practitioners.

Future Investment:

CGIA FI Club promotes frugality among students by helping them build responsible financial behaviour and a lifelong investment-based lifestyle.

Personal Growth:

Becoming a member of the club grants you leadership learning opportunity of a lifetime. Involvement in club activities will help accelerate one's interpersonal skills such as communication, leadership

CGIA[®] Scholarship

FI Club offers members an exclusive opportunity to secure a Scholarship to pursue the CGIA[®] Charter Program and achieve their dreams of becoming a globally recognized Finance & Investment professional.

As an FI Club member, you will be offered either **partial or full scholarship** to pursue the CGIA Charter Program.

CORE VALUES

Continuous Learning

Challenging students to commit to lifelong learning that propels excellence, growth, adaptability & the application of learned knowledge in any given situation.

Integrity

Training members to maintain high levels of integrity and honesty in a way that translates into their future professional lives.

Balance

Imbibing in members a sense of balance that ensures that in the course of growth their mental health and overall well-being is not compromised.

Responsibility

Helping students to embrace the responsibility that comes with the future they desire to have and the financial freedom they seek to achieve.

Innovation

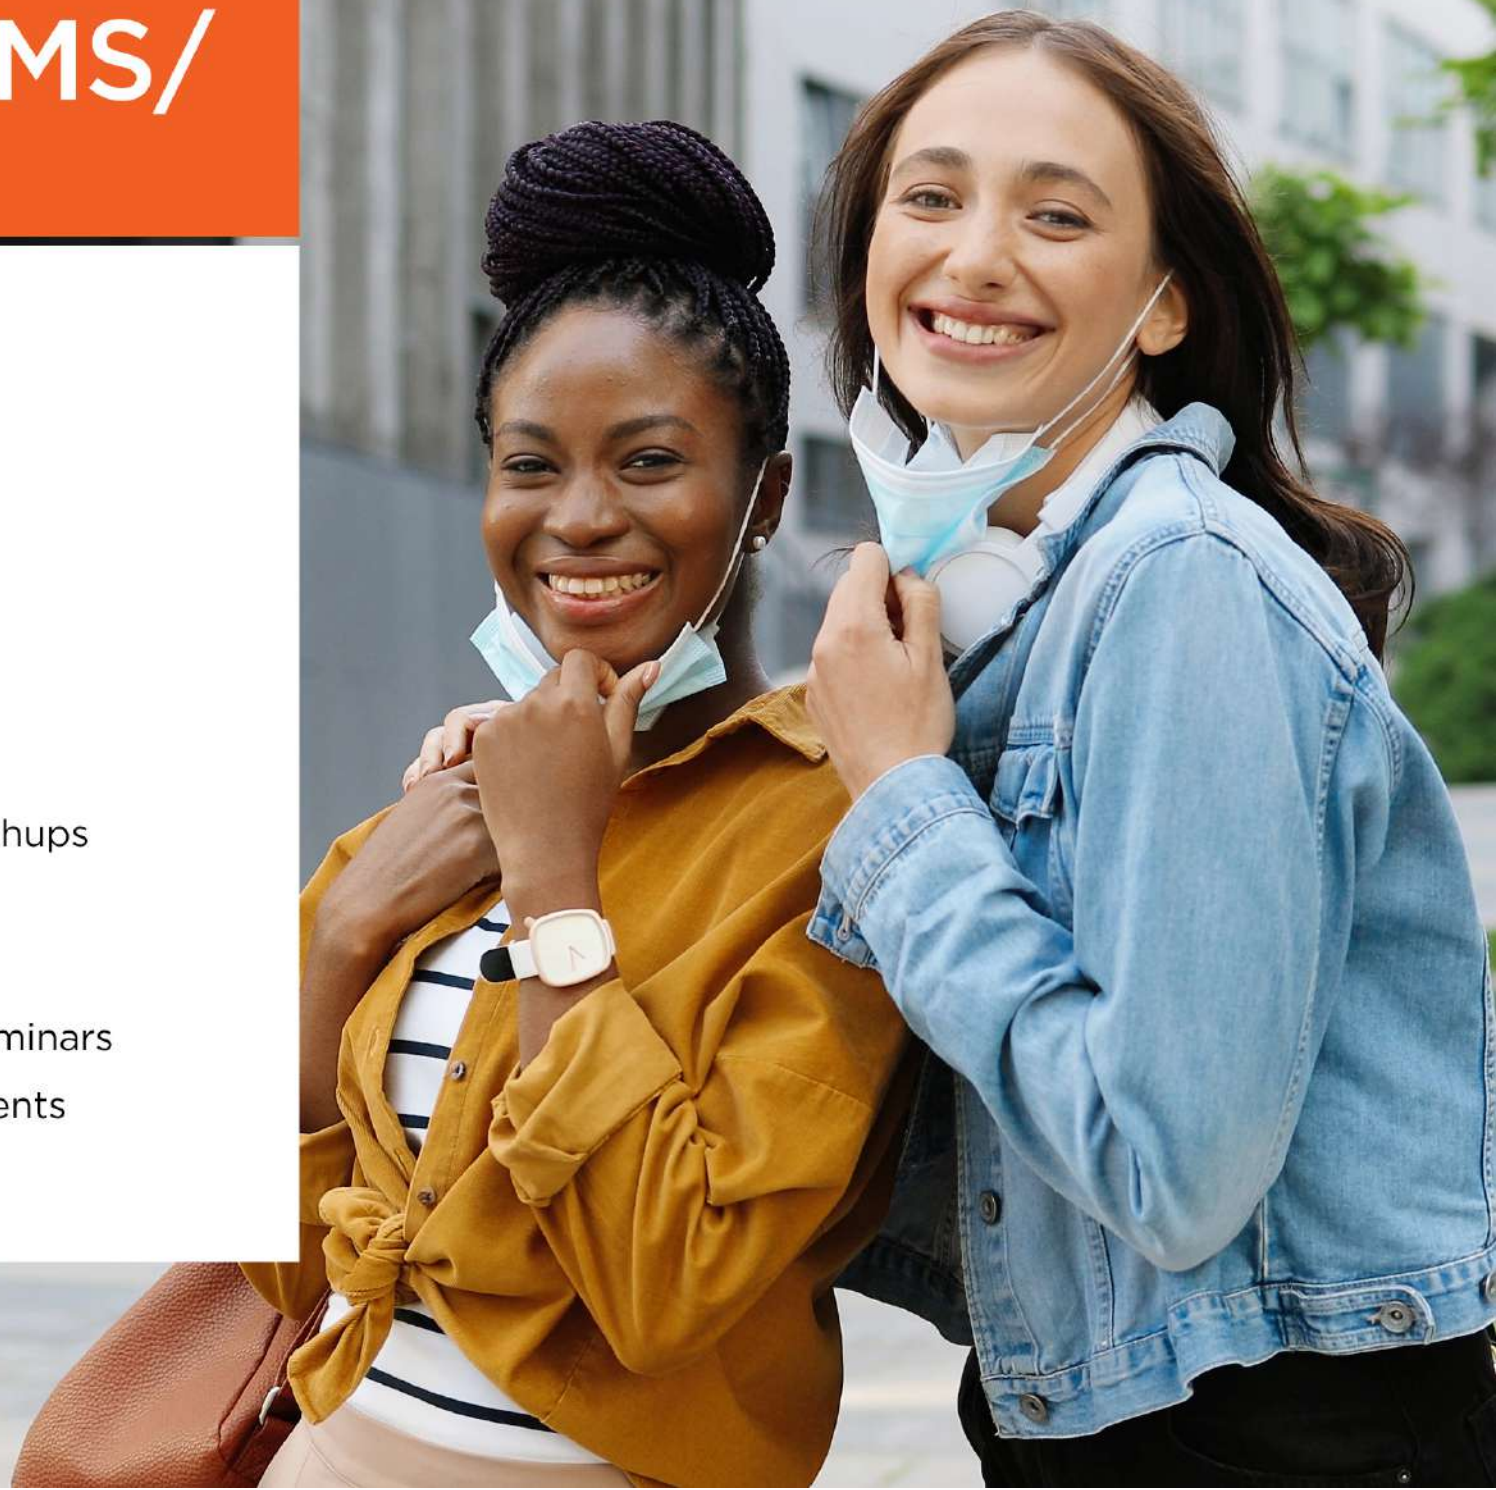

Helping students develop creative thought patterns that disrupts the traditional ways of doing things.

Team work

Exploiting members' tendencies to work collaboratively with others to solve complex problems & achieve a common goal.
